

Accommodation

We offer two types of accommodation: a **single room** in homestay host accommodation or a **shared room** in homestay accommodation.

HOMESTAY ACCOMMODATION

- A single room means that you will be placed in a room of your own within a homestay.
- A twin room means that you will be placed in a shared room within a homestay. The other student may or may not be a BLS student; if you book as part of a group your partner will be another member of your group.

If you choose homestay accommodation, you will be placed with a host as close to the school as possible, but some travel may be involved to arrive at the school.

Adults (all half-board):

| | Price per student per week | |
